By signing this document, I affirm that I have taken an active role in its creation and that it adequately reflects my original work, thus allowing me to claim authorship. I also promise that the work does not infringe upon anyone else's proprietary or personal rights, including copyrights or privacy rights, and that it contains only accurate information and no matter that is libellous or otherwise illegal. In addition, I affirm that, except from what has already been declared to the Association, I do not have any financial stake in the outcome of the Work or any connection to a group or company that does. The aforementioned article's copyright and all other rights, titles, and interests are transferable and assignable, and I have the authors' permission to do so. The rights to use this work, including any future versions, are now fully transferred to Pen & Prosperity. I also want to make it clear that no other publication is considering or has published this piece.

- ☐ All proprietary rights other than copyrights, such as patent rights,
- ☐ The right to use all or part of this article, including tables and figures in future works of their own, provided that the proper acknowledgment is made to the Publisher as copyright holder, and
- ☐ The right to make copies of this article for his/her own use, but not for sale.
