Dr. Mouamita Mitra is a dedicated educator, researcher, and academic leader with a profound commitment to rethinking education in the 21<sup>st</sup> century. She holds an M.A. in Bengali from Rabindra Bharati University, an M.A. in Education from Karnataka State Open University, a B.Ed. from Calcutta University, and an M.Ed. from Kalyani University. She further earned her M.Phil. from Ch. Champ Singh University and Completed Ph.D. from Annamalai University, where her Research focused on "TCP/IP Study on Achievement Motivation in College Level Students. She also holds a diploma in Educational Administration and Management from the Asian College of Teachers. Dr. Mitra began her teaching career at Haldin St. Xavier's High School before joining the Purba Medinipur Primary Teachers Training Institute as a lecturer in 2009. In 2013, she was appointed Principal of the same institute and, in the same year, took on the role of Assistant Professor at Purba Medinipur B.Ed. College, where she continues to serve with dedication. Her areas of special interest include teacher education, women's education, higher education in West Bengal, digital and technological education, and women's empowerment. She has published a book on AI and digital transformation, titled "Learning Beyond Boundaries Rethinking Education in the Age of AI and Digital Transformation". She has also published several significant works on education for marginalized and rural women, the integration of technology in teacher education, and the various barriers and pathways related to higher education in West Bengal. Beyond academia, Dr. Mitra is passionate about Indian classical dance, trained in Kathak, Bharatnatyam, and Rabindra Nritya.
